

SPEECH BY
Y.BHG. PROF. DATUK DR. SHAHRIN BIN SAHIB
VICE CHANCELLOR

Lean Six Sigma

20 March 2017 (Monday), 2.30 pm

Auditorium PPS

Assalamualaikum Warahmatullahi Taala Wabarakatuh

Salam Melaka Maju Negeriku Sayang, Negeri Bandar Teknologi Hijau,
Melaka 755 tahun, Melaka Maju Fasa 2, Berkat, Tepat, Cepat.

Assalamualaikum warahmatullah and good afternoon

Yang Berbahagia Mr. Lee Cheong Chee

President & Managing Director

Infineon Technologies (Malaysia) Sdn. Bhd.

Yang Berbahagia Assoc. Prof. Dr. Mohd Rizal bin Salleh

Dean, Faculty of Manufacturing Engineering

Senior Management of UTeM, Distinguished Guests from Infineon, students, ladies and gentlemen,

1. Alhamdulillah, first and foremost, I would like to extend my gratitude to Allah SWT for His Blessings and Compassion has enabled us to gather here today for The Six Sigma Certificate Presentation Ceremony for staff and 4th year FKP students who have successfully completed this short course.
2. I've been informed that this training has been conducted in 9 sessions beginning from 26 November 2016 until 4 March 2017, attended by 285 students and 31 staff. The attendees of this Six Sigma Training consisted of staff from the Training and Certification Committee of UTeM as well as a number of staff from other offices who are committed in completing the Six Sigma

(Yellow Belt). Their participation in this training is to ensure that the 4th Year FKP students will be guided in their effort towards the Lean Six Sigma (Yellow Belt) recognition.

3. I believe that the invaluable input and knowledge imparted during this training will immensely benefit not only the industry engineers but also the academicians at UTeM.

Ladies and gentlemen,

4. As the 1st technical university, UTeM is committed towards enhancing staff and students' competencies and trainings such as the Lean Six Sigma is substantial in ensuring that UTeM continues

to be competitive and maintains sustainable excellence in respective areas of interest.

5. For your information, in our endeavor to elevate the quality of our academics and students, UTeM has stipulated the requirement for all staff and students to obtain at least one professional certification. This approach will unequivocally add-on values to our staff and students who will certainly be referred in their field of expertise and as for our graduates, this certification will escalate employability.

Ladies & Gentlemen,

6. At this juncture, I would like to extend my gratitude to Infineon Technologies (Malaysia) Sdn. Bhd. for their continuous and steadfast support to UTeM, thus further strengthening the strategic partnership and collaboration between UTeM and Infineon.
7. I would also like to thank the speakers, the committee especially Faculty of Manufacturing Engineering of whom has rendered much efforts in ensuring the smooth running of this course.
8. I hope that the knowledge gained from this training will be applied in our daily operations to the benefits of all.

Thank You. Wabillahi taufiq wal hidayah, wassalamualaikum warahmatullahi wabarakatuh.
