PENDAHULUAN

1. Congratulations to FaMESA for organizing such an impactful programme for student's development.
2. FKM student's enrollment- Total: 1,463 (Diploma 274. Bachelor Degree 1,024, Master Degree 139, PhD 26)
3. International Students at FKM: Total: UG: 18 PG: 23, from Indonesia, Iraq, Yemen, Libya, Palestine and Malawi

4. FKM is located at the Technology Campus, famously known as Bangunan Hijau/Green Bulding
5. Each faculty is advised to establish student association with the aim to enhancing the quality and self-esteem of students through various programmes and activities.
6. The purpose of student associations is also to enhance students' soft skills, through exposure and unified experience that cannot be obtained through their course of study.
7. Student association also acts as an intermediary medium and brings the voice of students and faculty, in addition to reviving the university/campus life.

8. Student associations act as a platform to develop essential skills needed for the present job market - the ability to lead, plan, manage, implement, and work in teams, enhancing communication effectiveness and more.
