**4. Ms. Claris Liew**

Account Manager

**Distinguished guests and members of MyRMA, Members of the Organizing Committee, Ladies & Gentlemen.**

1. It gives me great pleasure to welcome all guests to the Bibliometrics and Scientometrics Workshop Dinner 2020.
2. Welcome to Melaka - the Historical City proclaimed as UNESCO's world heritage site - where much of its 758 years of glorious history - where the imprints of the Portuguese, Dutch and British are still visible in the architecture, heritage buildings and colonial structures.

Pergi berhuma di Tanjung Rokan,  
Sebelum pulang mengail ikan,  
Kehadiran tuan-puan UTeM alu-alukan,  
Kecil telapak tangan nyiru kami tadahkan.

**Ladies & Gentlemen,**

3. We are deeply honored to be given the opportunity to host this workshop. I've been informed that this workshop is primarily sponsored by Clarivate Analytics. Thank you for your continuous trust and support towards UTeM.

4. I would also like to take this opportunity to congratulate members of MyRMA and staff from the Centre of Research and Innovation Management or CRIM, UTeM for their commendable initiatives and admirable commitment in organizing and coordinating this workshop.

**Ladies and Gentlemen,**

5. The Bibliometrics and Scientometrics Workshop 2020 which starts today provides not only immersive knowledge and skills, but also parlays a common platform for all

participants, bringing together three key players in strengthening the research initiatives of a university, specifically, the research managers, research administrators, and researchers.

6. This is an excellent opportunity for all three parties to interact, network, and procreate mutual understanding. You might also agree with me that breaking the “ice” between these three important partakers would definitely boost the research performance of a university.

**Ladies & Gentlemen,**

7. This year's workshop holds great prospects for the research fraternity, especially with participants coming from various institutions, namely the public and private higher learning institutions. I am fully confident that this workshop will culminate into yet another fruitful venture for all of us, and henceforth prospers Malaysia's research excellence.

## **Ladies and Gentlemen,**

8. At this juncture, I would like to wish all participants a successful deliberation, discussion and a productive meeting of minds.
9. I also hope that you have a wonderful stay in Melaka and do seize this opportunity to visit the historical sites and taste our delectable local cuisines. May this event be an insightful and highly informative experience for all and we hope to see you again in other events organized by Universiti Teknikal Malaysia Melaka. Thank you.
