NEW LEARNING GOALS

GOALS TO ACHIEVE:

- 1. To develop a learning environment that is learner-centered and promotes active learning.
- 2. To ensure that learning is meaningful and relevant to the needs of the students.
- 3. To provide opportunities for students to apply their knowledge and skills in real-life situations.

STRATEGIES TO IMPLEMENT PROGRAMS/ INTERVENTIONS:

- 1. Collaborative learning
- 2. Inquiry-based learning
- 3. Problem-based learning
- 4. Project-based learning
- 5. Service-learning

INDICATORS:

- 1. Student engagement and participation in learning activities.
- 2. Student achievement in learning outcomes.
- 3. Student satisfaction with the learning experience.

MEASUREMENT AND EVALUATION:

The effectiveness of the learning goals is measured through student feedback, assessment results, and the use of various learning tools and resources.
